In Search Of Beauty In Music - A Scientific Approach To Musical Esthetics (Hardback)

By Carl E. Seashore

Read Books, United Kingdom, 2008. Hardback. Condition: New. Language: English. Brand new Book. In Search of Beauty in Music A SCIENTIFIC APPROACH TO MUSICAL ESTHETICS by CARL E. SEASHORE. PREFACE: MORE HAS BEEN ACHIEVED in the laying of foundations for science in music in the present century than in all preceding centuries. The chief reason for this is that the applied science of music has had to await the development of such underlying sciences as acoustics, physiology, electrical engineering, anthro pology, experimental education, and experimental psychology. In all these fields phenomenal progress has been made in the instrumentation and standardizing of techniques of measure ment. Naturally to these should be added the development of a body of science-minded musical artists who welcome such scien tific approaches. The progress has been facilitated and rushed at phenomenal speed by the practical aspects of radio, phono photography, phonography, industrial acoustics, and the increas ing demands for the psychology of music in these fields, as well as in education. During this period of extraordinary expansion in the basic sciences which contribute to the scientific foundations of music, it has been my great fortune to be associated with scientists and musicians who have been interested...
